### 'A' Team Manager 'A' Team Assistant Manager

Stowupland Falcons Football Club is an exciting and visionary football club based in the village of Stowupland near Stowmarket, looking to expand its adult teams whilst offering a structured and clearly defined route into adult football for all its Youth Team players. As such we are looking to re-introduce an 'A' Team for season 2012-2013

In June 2011 the Adult & Youth sections of the Club merged and one committee was elected to take the club forward, creating a single vision and purpose, to nurture, develop and offer an introduction to Adult football for all Youth players. Our aim is to prepare and develop these young men for the step up into Adult football and finding the right management team is an essential part of that development.

The successful applicants will be tasked with continuing the successful development of each individual player, whilst having the ability to bring the individual talents and forming them into an excellent team spirit while managing the day to day running of the team.
